

Fishing Semi-overalls PEREKAT

How to properly put Torvi Perekat on

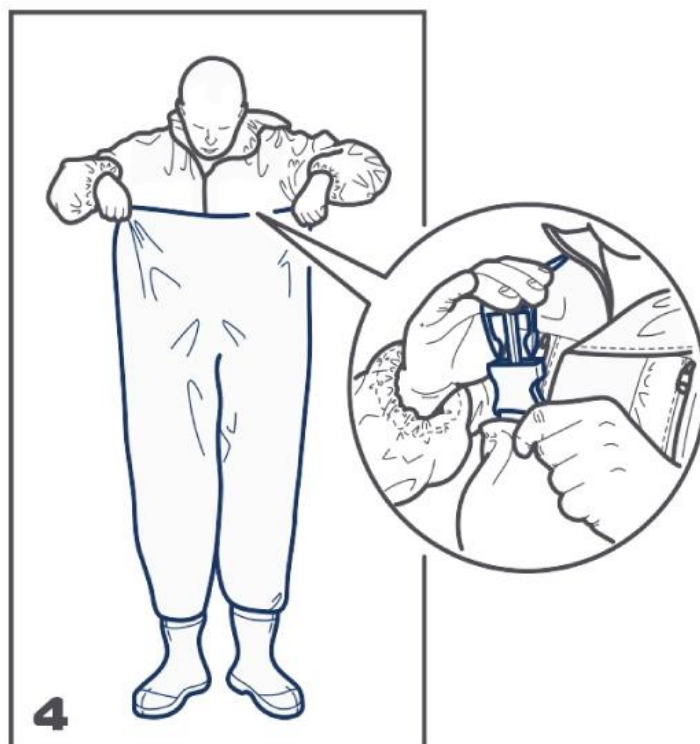

1
Before putting on the semi-overalls pull out the liners pull out the liners and put them on separately.

2
Gently roll the overalls to the level of the connection of the legs with the boots.

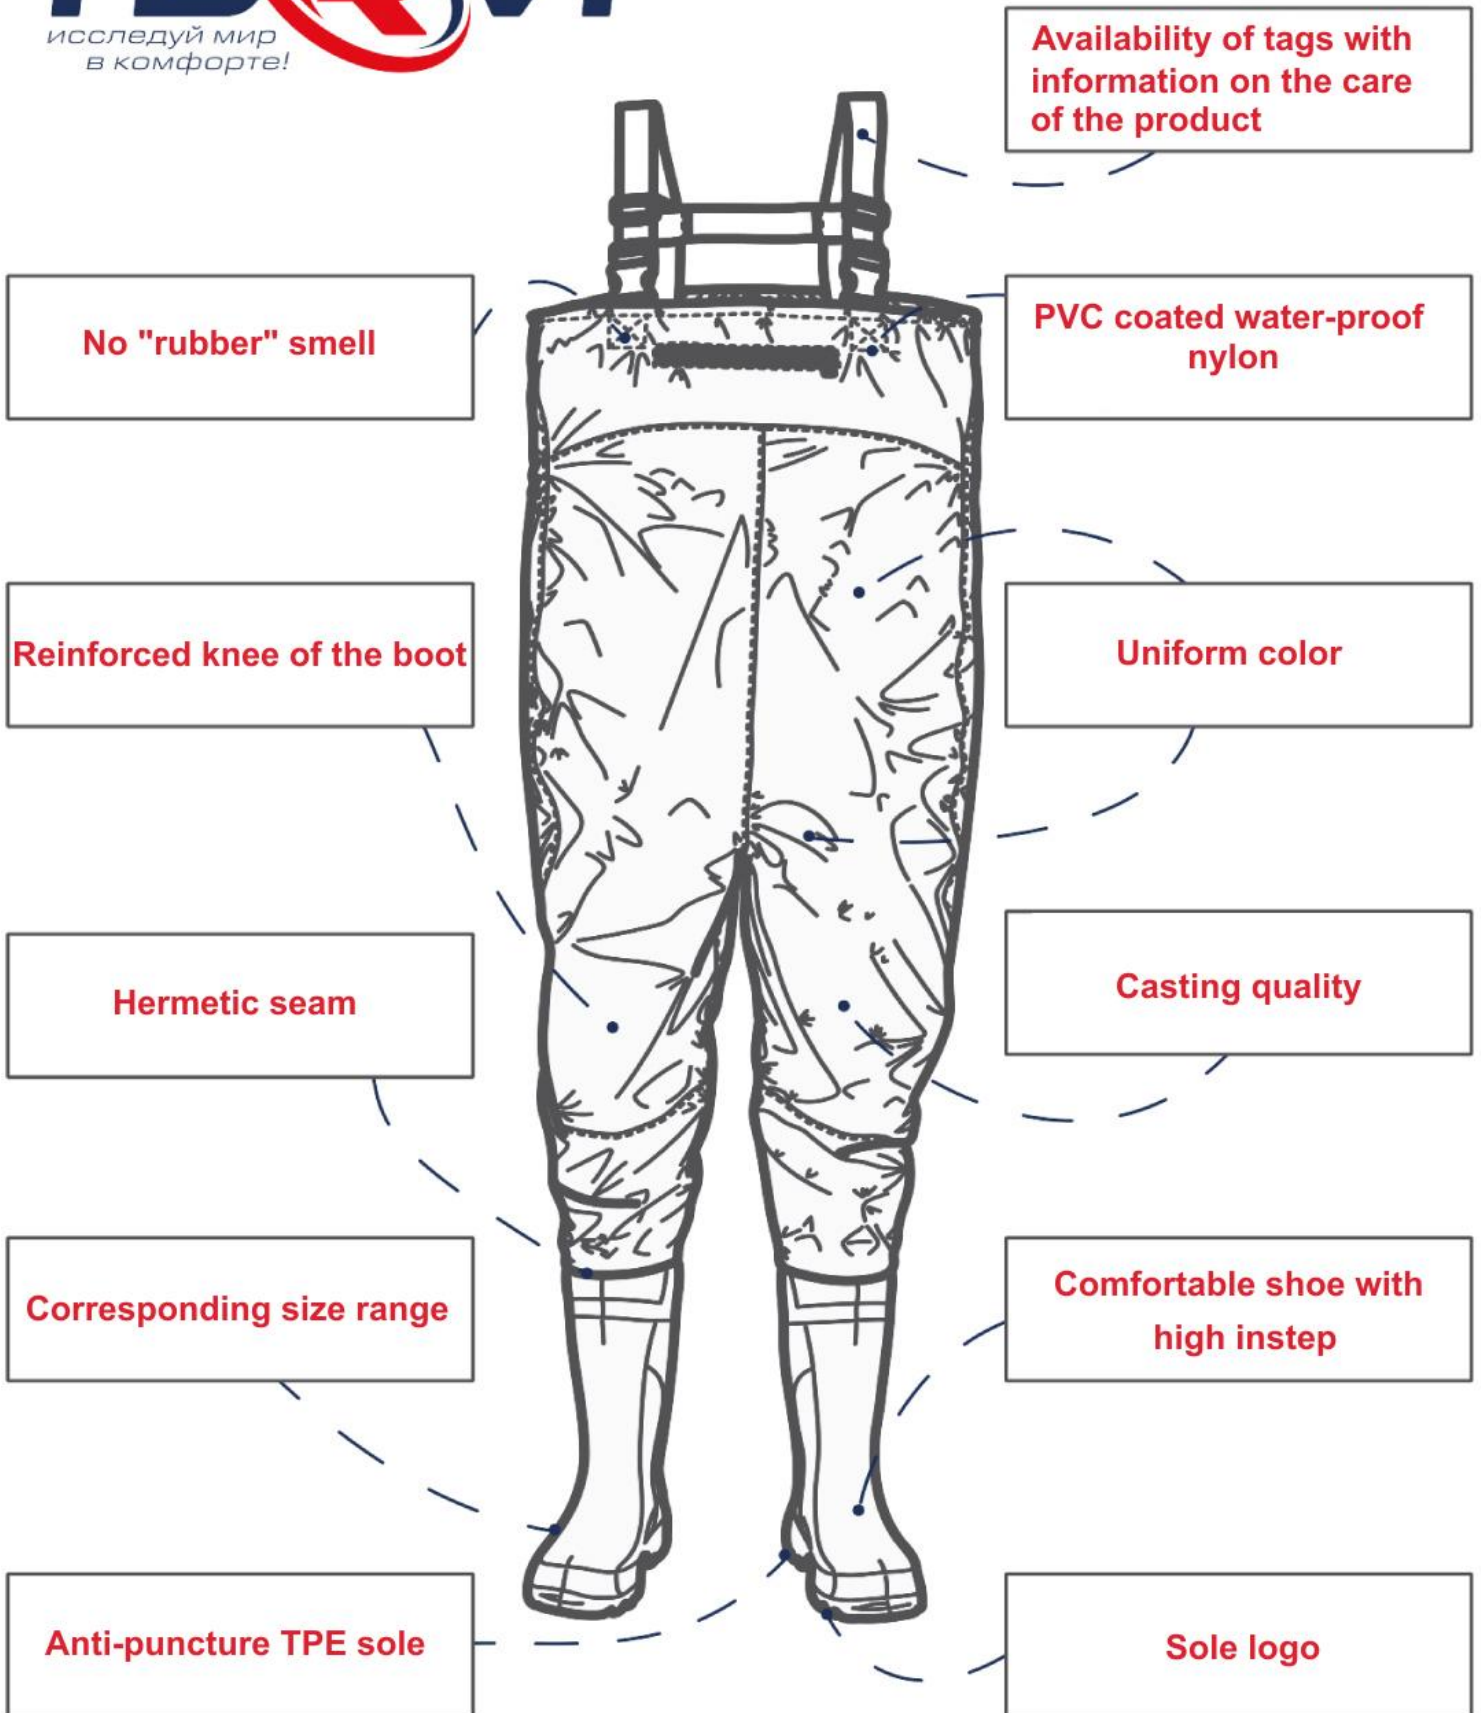

3
Put on your boots, holding on to the inside of the bootleg.

4
Straighten the waterproof fabric and put on the overalls. Fasten the locks on the straps.

5
Do not pull on the tops of the waterproof fabric to avoid deforming the seam between the boot and the nylon.
